Switzerland

*and produced in the factory:*

Plant 1

*Is (are) submitted by the manufacturer to a factory production control and to the further testing of samples taken of the factory in accordance with a prescribed test plan and that the notified body - CSTB - has performed the assessment of the performance of the construction product(s), the initial inspection of the manufacturing plant and of the factory production control and performs the continuing surveillance, assessment and evaluation of the factory production control (system 1).*

*This certificate attests to the product(s) performance(s), relative to the essential characteristic(s) chosen by the manufacturer, and that all provisions concerning the assessment and verification of constancy of this (these) performance(s) described in the harmonized reference technical specification:*

«European Technical Assessment **ETA-12/0547** dated **29/04/2014**»

*Are applied and that the product(s) fulfills(fulfill) all the prescribed requirements.*

*This certificate can only be used in conjunction with the declaration of performance of the product written by the manufacturer or his authorised representative established in the European economic area and with the technical specification in reference.*

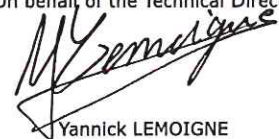

*This certificate is issued on 4 December 2014, it cancels and replaces the certificate previously delivered on 30 November 2012 and, except for withdrawal or suspension, remains valid as long as the conditions laid down in the corresponding technical specification in reference or the manufacturing conditions in the factory or the factory production control itself are not modified significantly.*

*This certificate comprises 2 pages.*

*The list of certificates issued by CSTB is kept up-to-date by the CSTB.*

Issued in Champs sur Marne, on 4 December 2014
